

Art City Elementary Safe Walk/Traffic Standard

Walking to School

Safety walking routes to and from school have been recommended. Please see the Safe Walk Route on our web page (artcity.nebo.edu). **Please do not have your child arrive at school any earlier than 8:15 a.m.**

- Students east of 900 East should use the crosswalk located directly in front of the school. An employee will be present from 8:15 a.m. – 8:27 a.m. and from 2:45 p.m. – 2:55 p.m. (Monday 2:00 p.m. – 2:10 p.m.) to safely cross students.
- Students living north of 200 North should walk on major sidewalks to the south to 200 North and enter the school grounds on 900 East or through the walkways provided to the school grounds.
- Students living south of Center Street should use appropriate sidewalks and cross at the crossing guard located at 900 East Center.
- *Students should always use sidewalks and cross only with a crossing guard or at intersections with a crosswalk.*

Bus Loading and Unloading

Art City has bus services for pre-school students only. The bus enters the school grounds from the north and parks in the designated area in front of the school. Students exit onto the sidewalk and enter the school from the east. Staff members are present while students enter and exit the bus.

Parent Pick Up/ Drop Off

Students need to be dropped off and picked up in the designated parking areas (NOT the bus zone) in the east front parking area, the church parking lot, or on 900 East. Please remember to enter the school parking lot from the north and drive through to the south. **People parking in or driving through the bus and fire zone marked in fluorescent green are subject to being ticketed by Springville City Police.**

Parking

Teachers, staff and patron parking are located in the east parking area.

NOTE TO PARENTS

We have been very concerned with the parking lot getting congested when dropping off and picking up students. Please help us with this concern by:

- Do not use your cell phone while dropping off or picking up students.
- Drop off and pick up only in designated areas.
- Have children wait until the vehicle comes to a complete stop before moving towards your car.
- Do not begin driving until all children are on the sidewalk and you have thoroughly checked for other children.
- Move up when possible to allow others to pull into the drive thru area.
- Please be courteous to other drivers and school staff. We want your children to be safe.

If we all work together we can ensure a safe environment for our children.
