

# **Art City School Song**

**“Utah has a lot to boast  
of Mountains, lakes, rivers and streams.  
But the richest gift that Utah has  
is her youth—her hopes, her dreams.  
But when it comes to tops in youth  
who really desire to do and be  
The kind of youth that’ll lead us all  
are the Eagles of Art City.**

**Soaring, soaring high,  
the Art City Eagles.  
Climbing, climbing high,  
as the Eagles take command.  
Taking on the pledge  
to reach for tomorrow  
By working, by learning,  
achieving, succeeding,  
As the Eagles,  
as only the Eagles can.”**
