Dear Parents:

It's almost time for another school year to begin! I am so excited to meet you and get to know you. I am Lisa Muirbrook, the new principal at Art City. I have been so impressed with this wonderful school and can't wait to be part of the culture that is Art City.

I live in Spanish Fork with my husband Ladd. We are now empty nesters. Yikes! We have 4 children and 3 grandchildren who rock my world! Our oldest daughter, Alyssa, lives in Spanish Fork with husband Daniel and their 3 children. Alex and his wife Kaitlyn live in San Diego. They were married this past January. Then we have twins, Kevin and Katrina. Katrina and her husband Michael live in Ft. Worth. They too were married this past January. Yes, we had two weddings, a week apart in two different states. It was a busy and fun month! Kevin is attending UVU and lives in Provo.

The last 4 years I have been principal at Riverview Elementary. I loved my time there and made many life-long friends. I am very grateful for the opportunity to work with those wonderful staff members, families and especially children! Before that I was an Instructional Coach for the district, taught 3rd grade at Brockbank Elementary and Wilson Elementary, 4th and 2nd at Sage Creek and 4th at Grant Elementary way back in the day. We spent 9 years in California where I taught special education and first grade.

I find great joy in working with staff members and students. It is very rewarding and gratifying to be part of their lives. I take my role very seriously and work diligently to help children learn and become the best they can be. Anything is possible for our kids, and we have the privilege of watching this process. What a responsibility and blessing we are given.

You will be receiving parent link messages giving you instructions for mail in registration. Mail in registration is new this year, and is available for your convenience. If you opt for mail in registration, please be sure to stop by and join this amazing PTA we have at Art City during the open house on August 22 from 2-3:30. They will have t-shirts available to order at that time also.

I do most of my communication with parents through parent link, so please be sure to keep your e-mail and cell phone number updated (instructions will be available in the message for registration coming soon). Feel free to call, stop by or e-mail me at any time with any concerns or questions.

It's going to be a fantastic school year!

All my best,
Lisa Muirbrook
