

Welcome to Art City Elementary!

It is my pleasure to be part of Art City Elementary. We have a wonderful staff who care for children and take time to help meet their needs. As we work together, we are able to accomplish great things. The information we are sharing with you is designed to assist parents and families in learning about the policies and procedures of Art City and Nebo School District. Please take time to familiarize yourself with these policies each year, as we will update yearly. We certainly do not cover everything pertaining to schools and the district, but you do have access to this information on the Nebo School District web page under 'policy'. Please feel free to talk with us any time you have questions. It is going to be a great year!
