## School Community Council Minutes

January 26, 2023

10:00 a.m.

Council: Lisa Muirbrook, Jamie Huston, Melissa Roundy, Natalie Bailey, Amber Whatcott, Christina Montgomery, Helen Fuhriman, Marie Lindsey, Shana Huffaker

1. Introductions and Welcome:

2. Review of Minutes

Comment not to hand out at SEPs it will probably get lost. Make it part of the homework. Have teachers put it in their monthly newsletter-just a tip or two each month. We have a new room for Lisa Gervais for music.

Voted: Jamie Huston motioned to approve minutes, Marie Lindsey seconded. All agreed.

3. Discuss Goals:

Change in the wording to 1-3. Kinder is not included. The only dollar change sign that we have is with goal 2. The goal will stay the same. The typical progress is for students who will not be able to make a whole year of progress, but we still want to see growth. We need to have a dollar sign attached to an action plan. We have used the funds for interactive TV boards. They run \$3500 plus installation. Melissa shared what she does with her new board. She said the students pay more attention to things on her interactive board. The students love it. You can also save screens. It was also discussed that we will need to change the dollar amount to pay for the Reflex math program. Jamie Huston and Melissa Roundy stated how much they like the program. It was asked if there were programs that could be dropped to pay for Reflex and it was explained that the district has a contract with i-Ready that needs to be finished before it can be dropped. Lisa also discussed that \$10,000 is used for tutor salaries and subs. Lisa then asked if for any ideas or suggestions for Goal #2 and the teachers again mentioned how helpful Reflex is and how much time it saves.

4. Items from Mrs. Muirbrook

Lisa said she will work on budget numbers and she also went over the plan for future meetings.

5. Other items from council members

Helen asked what parents and PTA can do to support teachers through the last few months of school. Teachers and Lisa expressed their appreciation for the support they give. Jamie motioned to adjourn the meeting, Helen seconded. All agreed.
